Have you ever been in a situation where you wanted to share the Gospel with someone but didn't know where to start? Often, we find ourselves desiring to reach one more for Jesus but do not have the knowledge or courage to do so.

In 1 Peter 3:15, the apostle Peter exhorts believers to always be ready to explain if someone asks about your hope as a believer.

If you wish to get started on how to share your Christian faith with others, this workshop will equip you with practical tips and practice sessions that will enable you to confidently share your faith and start connecting with someone.

Register online via www.riverlife.org.sg, e-Life or at the Information Counter.

RIVERSIDE RESOURCE

The Fire That Never Sleeps by Michael Brown, John Kilpatrick and Larry Sparks

Special Price For Today Only: \$22.80 (Usual Price: \$25.60)

Are you tired of the status quo in your spiritual walk? Do you wish for a greater manifestation of the glory of God in your life? Do you desire personal revival, not only for yourself, your loved ones, but also for your nation? If you answered yes, this book is definitely for you.

This book begins by describing the lethargic state of the Western church and issuing a wake-up call to Christians to return to a life of radical faith and total devotion to Him. The authors discuss ingredients crucial for revival – a desperation for more of God, holy discontentment with our present spiritual status, fervent prayer, powerful praise and worship, and culminating in the arrival of the presence of God's glory. It is this unusual expression of God's manifest presence that distinguishes revival from church as usual.

May this book create a desire in your heart for a fresh encounter with God, and give you practical ways that you can keep the fires of revival burning in your life today.
