### **Topic 3: Rising To The Call Of Leadership**

God calls His people to positions of leadership and influence — in our homes, communities, churches, and ultimately the world. True leadership involves more than simply being the person out front; it means living a life worth following.

In this study of four important leaders of Israel — Eli, Samuel, Saul, and David — you'll explore key leadership principles, including how to make wise decisions under pressure,

deal effectively with mistakes, and set a course that others will follow. Most importantly, you'll learn what God expects of you and how you can rise to the call of effective leadership.

### **Topic 4: The Essentials Of Effective Prayer**

Do you sometimes wonder if God hears your prayers? Do you ask yourself, "What's the point of praying?" Do you long to experience the power of prayer in your daily life?

Find the keys to an effective prayer life in this compelling study that explores both God's expectations of you and His promises to you when it comes to prayer. Through a detailed examination of the Lord's Prayer and other examples of prayer throughout the Bible, you'll discover a model for talking with God. You'll also learn key principles of prayer and gain a deeper understanding of how prayer can draw you closer to His heart.

### **Course Fee: \$11**

Registration will start next Sun, 3 Jul. For more information, please contact Karen Koh at 65114146, or email her at [karenkoh@riverlife.org.sg](mailto:karenkoh@riverlife.org.sg).

## SATURDAY FELLOWSHIP AT ONE-NORTH

**Sat, 2 & 23 Jul | 5–6.30pm**

### **2 Jul: The Power Of A Biblical Worldview**

This session shows how ideas have life consequences and that one of the ways religion and faith impacts our lives is the way it makes us or helps us see things in a certain way. This session will make the case for a Biblical perspective of life and reality.

### **23 Jul: Is The Gospel True?**

This session will address the questions of the definition of the Gospel and how we can claim that it is 'true'. The nature of Truth itself will have to be looked at and how this relates to the claims of Jesus Christ and Christianity. Ultimately, the only valid reason for any of us to follow Jesus is the essential conclusion that not only is the Gospel personally helpful but that it is also true and recognisable as part of reality.

Speaker: Rev Malcolm T. H. Tan
