

FAITH AT HOME

A FAMILY LIFE SEMINAR WITH REV MARK HOLMEN

SAT, 19 SEP
10AM TO 6PM
GRACE CHAPEL

SESSION 1 (FOR DATING COUPLES AND MARRIED COUPLES WITHOUT CHILDREN)

Before you decide to get married and have children, it is important to know the value of desiring the right spiritual foundation for the household that you will be setting up — making God the Head of the household, family devotion, seeking His wisdom and guidance as a family in both good and challenging times — that will help build a strong spiritual foundation for you and your family.

Rev Mark will spend the first two hours addressing this focus group, painting the significance of planning your spiritual journey together as a couple, and benefits you will reap in setting this foundation right at the onset.

SESSION 2 (FOR PARENTS, MARRIED AND DATING COUPLES)

We desire our children to have a faith that will influence the way they live their lives and the critical decisions they make. The makeover in the family begins with a change in our hearts. This session will not only focus on bringing Christ and Christ-like living into the centre of our home, we will also learn practical ways to help us thrive in our roles as parents. Besides knowing why, we will also need to know how to develop faith in our next generation.

From a biblical perspective to practical ideas, Rev Mark will cover the following topics:

- Making time to talk about faith
- Faith begins with acceptance
- Passing on faith requires intentionality
- Praying with our children
- Repetition and blessing

Last day for registration at the Information Counter: Sun, 13 Sep
Lunch coupons available for purchase at \$5 each till Sun, 13 Sep at the Information Counter. A freewill offering will be collected during the Seminar.
