THE GOSPEL

BECOMING SPIRIT-LED COMMUNITIES

19 AUG – 24 SEP | WORSHIP CENTRE

Imagine our cells becoming communities of spirit-led believers who have a vibrant relationship with God, and radically obeys His voice. When we gather, God's manifest presence is evident and the power of God flows. When we are at our workplaces, homes or on the streets, we carry the presence and love of God. The sick and wounded are healed as we lay hands on them. Family members, friends, and people we meet on the streets encounter God as we release words of knowledge. We believe this is the kind of cell communities that God is awakening in our church in this time and season.

Living The Gospel (LTG) is designed to take cell communities on a journey to discover what a vibrant, Spirit-led life looks like. Cells will learn practical handles on how to cultivate and live a Spirit-led life. Amongst others, we will learn how to meditate on scripture, journal what we are receiving from God, fast and minister unto the Lord. There will also be a time of impartation when we learn about how to become a prophetic community.

With this shared learning journey, cells that participate will also experience deeper bonding and relationships.

REGISTRATION
